COMMERCIAL GENERAL LIABILITY • FIELD SET

4. General liability rating exposure schedule

Exposure basis	Amount	Reconciliation
Annual gross sales	$74,200,000	Matches declared gross sales
Sales-rated class A	$33,390,000	Illustrative class allocation
Sales-rated class B	$40,810,000	Illustrative class allocation
Total sales-rated basis	$74,200,000	Class A + B = declared gross sales
Area-rated exposure	330,000 sq ft	Matches corrected SOV area total

5. Requested GL coverage

Coverage	Requested limit / basis	Status
Each occurrence	$1,000,000	Illustrative; carrier approval required
General aggregate	$2,000,000	Illustrative; carrier approval required
Rating basis	Sales by class and building area	Class split illustrative; do not use without carrier validation

6. Claims experience — annual counts

Policy year	Loss detail count	GL	WC	Auto	Property	Cargo
2021	6	6	0	0	0	0
2022	6	0	6	0	0	0
2023	6	0	0	6	0	0
2024	5	0	0	0	5	0
2025	5	0	0	0	0	5

Total synthetic incurred loss summary: $4,090,659. Loss detail is a synthetic training ledger, not carrier-issued loss history.

7. Application controls / disclosures

The submission is a training replica. All figures are synthetic. Legal entity, actual premises, tax ID, employee allocations, coverage eligibility and carrier rules require independent verification before any real placement. External OSHA information at a different address is not attributed to these synthetic premises.
