Underwriting subjectivities

1. Validate legal entity and actual scheduled premises for any real placement. 2. Obtain authoritative payroll and WC classification support. 3. Validate carrier-approved WC rates and modifier. 4. Obtain carrier-issued loss runs. 5. Validate driver roster, MVRs, CDL class and endorsements. 6. Confirm property values, building areas and actual operations. 7. Apply carrier-approved rating and coverage forms.

All data in this packet are synthetic training values. The document is not an actual offer of insurance and must not be used for placement.
